

The experience in Spain of the CCC

Enriqueta Felip

Vall d'Hebron Campus, Barcelona, Spain

President of the Spanish Society of Medical Oncology
(SEOM) 2021-2023

INTERVENTION AREAS FOR ACTION:

Pillars as effective interventions to improve:

P-1: Understanding of cancer

P-2: Prevention (screening and early detection)

P-3: Diagnostics and treatment of cancer

P-4: Quality of life for patients and their families

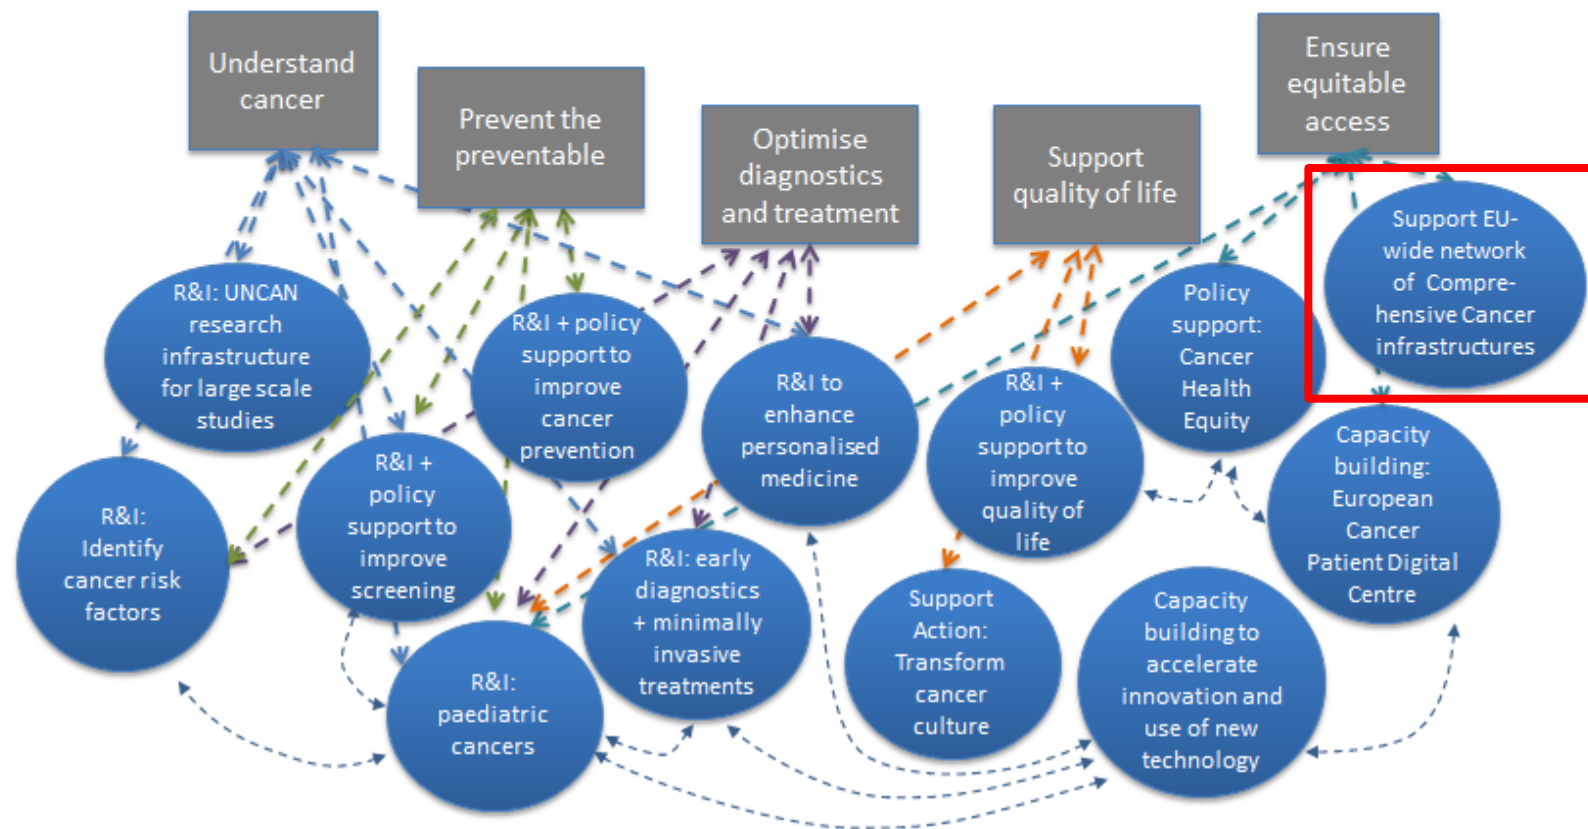

P-5: Ensure equitable access

(Published in September 2020)

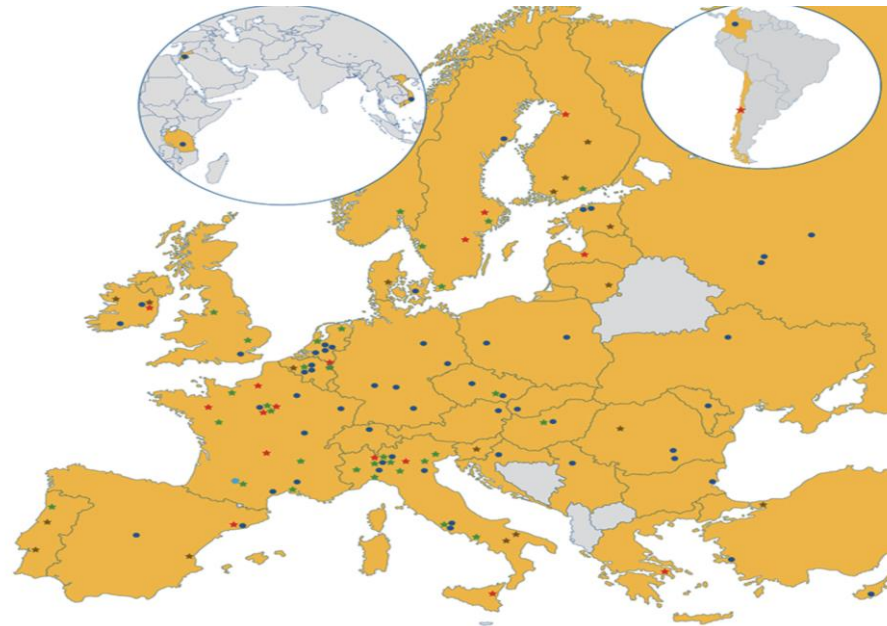

Conquer cancer: mission possible

Improving the lives of more than 3 million people by 2030 through prevention, cure and for those affected by cancer including their families, to live longer and better

The OECI Network

- Integration into a community of leading European oncology centers/institutes
- Create a critical mass of cancer expertise and competence to improve the response to patients' needs
- Share best practices and establish benchmarks in care, teaching and research to detect strengths and opportunities of institutions
- Build a consensus of the best oncology models, developing realistic solutions to improve patient outcomes in Europe and combat cancer

- OECI Member A&D certified Comprehensive Cancer Network
- OECI Member A&D certified Comprehensive Cancer Centre
- OECI Member A&D certified Cancer Centre
- OECI Member in the A&D process
- Other OECI Member

Mejorando la calidad oncológica a través de la acreditación: Modelo OECI

Meeting Place Castellana 81 / Madrid
24 / abril / 2023

*Puede seguir la Jornada en streaming a través de seom.org

P R O G R A M A

Coordinadores científicos:

Dr. Jesús García-Foncillas López
H. Univertistario Fundación Jiménez-Díaz, Madrid

Dra. Claudia M. Valverde Morales
H. Universitario Vall d' Hebron, Barcelona

11:30-11:40h Bienvenida

Dra. Enriqueta Felip. Presidenta SEOM.
H. Universitario Vall d' Hebron, Barcelona
Dr. Rafael López López. Presidente Fundación ECO.
Complejo Hospitalario Universitario de Santiago de Compostela
Dra. Claudia M. Valverde Morales.
H. Universitario Vall d' Hebron, Barcelona
Dr. Jesús García-Foncillas López.
H. Univertistario Fundación Jiménez-Díaz, Madrid

11:40-13:00h Mesa I. ¿Qué puede aportar un modelo de acreditación a la calidad en asistencia, docencia e investigación?

Moderadores:
Dra. Ruth Vera García. H. Universitario de Navarra, Pamplona
Dr. Pedro Pérez Segura. H. Clínico Universitario San Carlos, Madrid

- 11:40-11:55h A new vision for cancer in Europe
Dr. Josep Taberner Caturla. H. Universitario Vall d' Hebron, Barcelona
- 11:55-12:10h Modelos y sistemas de acreditación aplicables a cáncer (QOPI, ISO, etc).
Pros/contras
Dr. Jesús García-Foncillas López. H. Univertistario Fundación Jiménez-Díaz, Madrid
- 12:10-12:40h The OECI Quality and Accreditation Programme
Dr. Simon Oberst. OECI A&D Director. Bornholm, Denmark
- 12:40-13:00h Debate

13:00-14:00h Almuerzo

14:00-15:50h Mesa II. La acreditación desde el punto de vista práctico

Moderadores:
Dra. Pilar Garrido López. H. Universitario Ramón y Cajal, Madrid
Dr. Enrique Aranda Aguilar. H. Universitario Reina Sofía, Córdoba

- 14:00-14:15h Punto de vista gerencia/dirección. Modelos de gobernanza
Dr. José Soto Bonel. Presidente de SEDISA
- 14:15-14:30h Punto de vista de sistemas de calidad
Dra. M^a Soledad Romea Lecumberri. H. Universitario Vall d' Hebron, Barcelona
- 14:30-14:45h Punto de vista del clínico
Dr. Antonio González Martín. Clínica Universidad de Navarra en Madrid
- 14:45-15:00h Punto de vista del paciente
Dra. Mariluz Amador Muñoz. Directora Médica de aecc
- 15:00-15:15h Punto de vista del coordinador
Dra. Claudia M. Valverde Morales. H. Universitario Vall d' Hebron, Barcelona
- 15:15-15:30h Punto de vista del auditor
Dra. Ana Blasco Cordellat. H. General Universitario, Valencia
- 15:30-15:50h Debate

16:10-17:00h Mesa III. La acreditación es cosa de todos

Moderadores:
Dra. Enriqueta Felip Font. Presidente SEOM.
H. Universitario Vall d' Hebron, Barcelona
Dr. Rafael López López. Presidente Fundación ECO y vicepresidente de ASEICA.
Complejo Hospitalario Universitario de Santiago de Compostela

Debate. Sociedades científicas

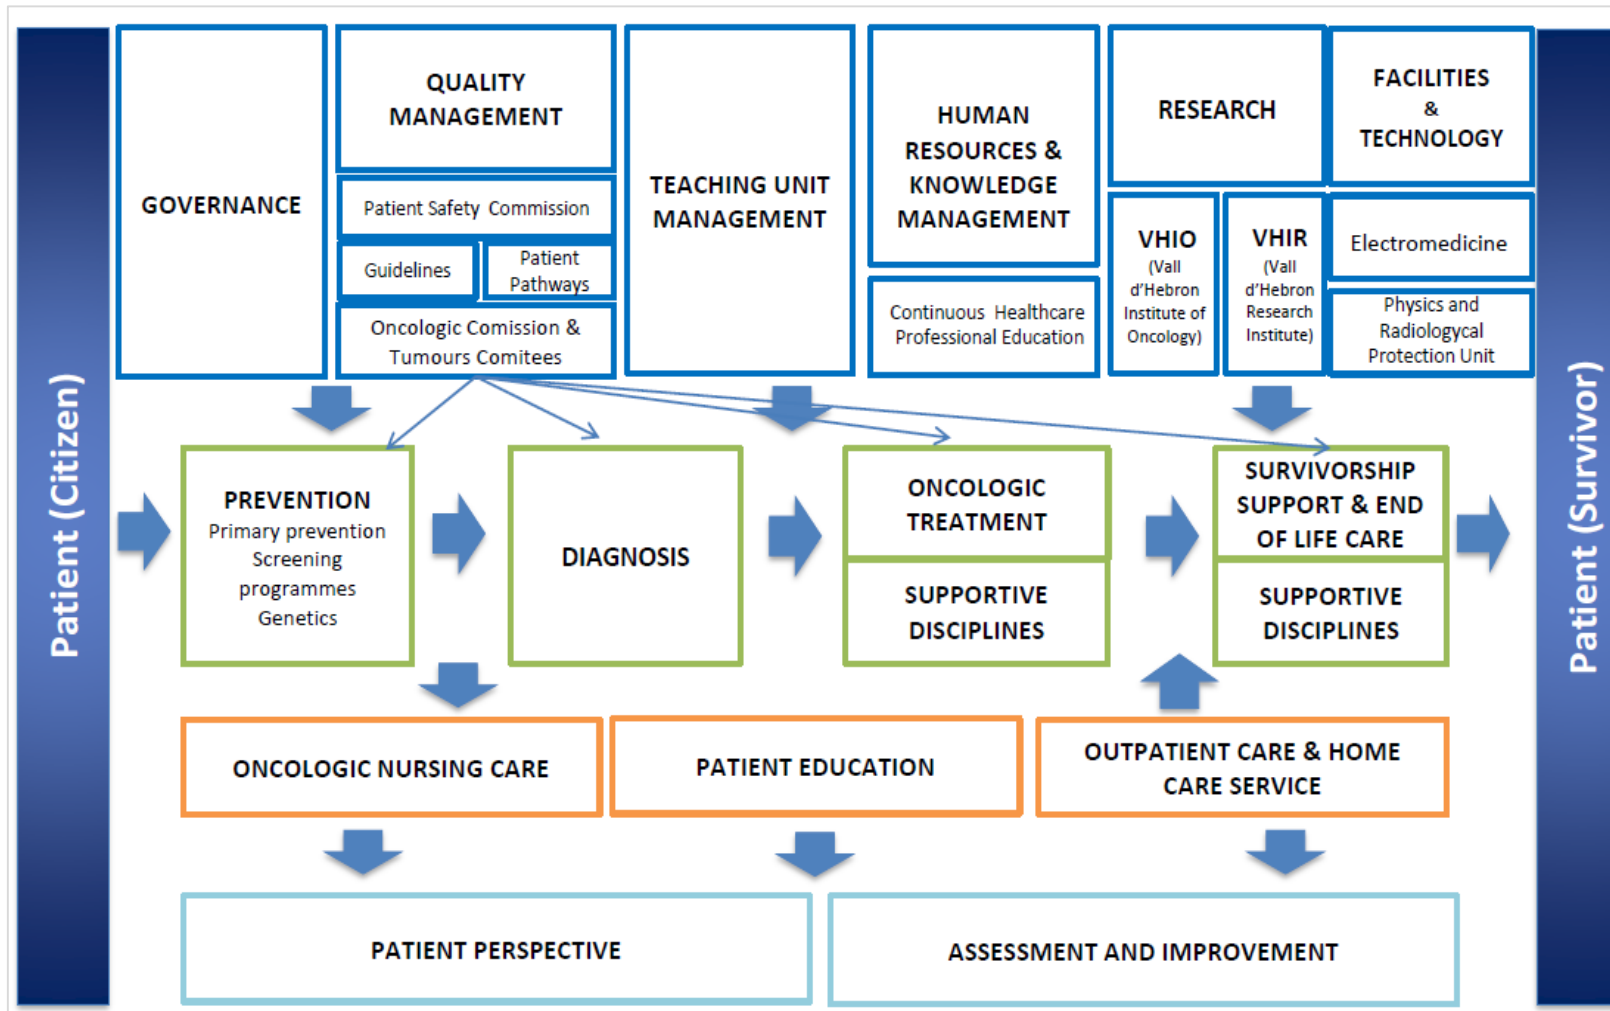

- SEOM: **Dr. Javier de Castro Carpeño.** H. Universitario La Paz, Madrid
- Fundación ECO: **Dr. Carlos Camps Herrero.** Consorcio Hospital General Universitario, Valencia
